* The section entitled "Final Reporting Schedule with a No-Cost Extension" is the schedule that should be followed if your organization receives a no-cost extension. A no-cost extension is a 12-month extension to the initial grant period. Grantees may request one no-cost extension to allow additional time to achieve project goals.

** The section entitled "Final Reporting Schedule without a No-Cost Extension" is the schedule that should be followed if your organization does not apply for a no-cost extension.
